Subject:—

Amendment of Appendix,"E" of the Mysore Service Regulations so as to fix the daily allowance of the Inspector of Mines at Rs.5 a day.

Paper under disposal

The Director, Department of Mines and Geology states that under the old rules any person holding the office of Inspector of Mines was entitled to draw a daily allowance of Rs.5/- under Article 588(a),(Appendix E) of the Mysore Service Regulations but that a change was introduced by correction slip No.26 dated 18th September 1915 which shows that the said allowance of Rs.5/ is personal to Mr. L.H.Beckwith, the present Inspector of Mines. During the absence on leave of Mr. Beckwith, Mr. A.T. Setlur was acting as Inspector of Mines from 26th October 1915 to 31st December 1916 and on the latter claiming Rs.5/- per diem as daily allowance for halts made by him when he was on tour, the Comptroller refused to admit it. But the Director thinks that any person who holds the appointment either permanently or temporarily- should be allowed to draw Rs.5/- per diem and that correction slip No.26 should be amended so far as it relates to this matter. He is also of opinion that Mr.Setlur may be allowed Rs.5/- per diem whenever he was entitled to daily allowance during his employment as offg. Inspector of Mines.

Page 3 of the notes

2. When the question came up before me I recorded my views as follows on 6th October 1916:-

"The question is a simple one. The re-organization alters the designation. If Mr. Beckwith gets Rs.5/- on a maximum pay of Rs.700/- Mr. Setlur should get the same. The Mysore Service Regulations should not go by individual officers but by general rules. I consider that Mr. Setlur should get 5 Rs. per diem." The Financial Secretary however did

13

not agree to the Director's recommendation.

3. The question again came up before me on 2nd March 1917 when I wrote as follows:-

"To make travelling allowance personal is opposed in my opinion to sound administration. It is not done anywhere. It should go with the officers and determined by the status and the duties attached thereto."

4. The subject was considered by the Council on 12th July 1917. They are of opinion that pending orders on the general question of revising travelling and daily allowances, the rate of daily allowance for any officer holding the office of Inspector of Mines may be Rs.5/- and that the claim of Mr. Setlur may be disposed of accordingly.

5. The accompanying draft order which is based upon the recommendation of the Council may be approved.

To

(in charge)

SIR,

I have the honour to forward herewith for favour of early orders of Government a letter in original, dated 26th February 1916, from Mr. A.T. Setlur, Offg. Inspector of Mines, regarding the daily allowance due to him for his halts when on tour during the period of his employment as Offg. Inspector of Mines. The correction slip No.26, dated 18th September 1915, issued in respect of Appendix E of the Mysore Service Regulations puts down a daily allowance of Rs.5/- to Mr. L.H. Beckwith, Inspector of Mines, while according to the original appendix that rate was admissible to any officer that held the post of the Inspector of Mines. It is not known why the alteration has been ~~made~~ introduced in the correction slip of September 1915, but it seems to me to be only reasonable that any officer who holds the post of Inspector of Mines, either on permanent or acting tenure, should be allowed the daily allowance of Rs.5/-. ~~I made for the proposal.~~ I beg to recommend therefore that the correction slip of 18th September 1915 may

be

be kindly modified so as to make the daily allowance of Rs.5/- one fixed for the post of the Inspector of Mines and not individually for Mr. Beckwith alone and that Mr. Setlur may be allowed to draw the daily allowance at that rate during his employment as officiating Inspector of Mines.

To

Sir,

I beg leave to bring to your kind notice that in my Travelling Allowance bills, I in my capacity as Officiating Inspector of Mines have been claiming halting allowance at Rs 5/- per day.

In my T.A. bill for December 1915, recently received addi[illegible] the Comptroller has been pleased to disallow the claims of Rs. 5/- and the bill has been passed by him at the original rate of Rs 4/- per diem allowed to me as Deputy Inspector of Mines. The reason for the disallowance of the enhanced claim appears to be due to the misconception that Rs.5/- is admissible personally to Mr. Beckwith only. (Vide correction slip 26, dated 18th September 1915 to Appendix page 242 of Mysore Service Regulations and the remark of the Auditing Clerk on my T.A. bill.)

A kind perusal of the original Appendix published before the issue of the correction slip clearly shows that the rate of Rs.5/- per day was not at all personal but one fixed for t the post of the Inspector of Mines. The exact circumstances under which the correction slip was made out and issued are not clear and have not been explained anywhere.

Notification No.G.4858, dated 7th October 1915, appoints me to officiate as Inspector of Mines in addition to my duties as Inspector of Explosives and I beg therefore that
